

How to add HealthInfo to your home screen

Android

- 1) Open your web browser and go to HealthInfo, www.healthinfo.org.nz.
- 2) Tap the menu button on the browser's toolbar – that's the three vertical dots at the top right of the screen.

- 3) Tap “Add to Home screen”.

iPhone, iPad and iPod Touch

- 1) Open Safari and go to HealthInfo, www.healthinfo.org.nz.
- 2) Tap the Share button on the browser's toolbar – that's the rectangle with an arrow pointing upward. It's on the bar at the top of the screen on an iPad, and on the bar at the bottom of the screen on an iPhone or iPod Touch.

- 3) Tap the “Add to Home Screen” icon in the Share menu.
